Ementa

Aportes teórico-metodológicos de fenômenos linguístico/discursivos/semióticos/ideológicos emergentes na intersecção entre língua, sociedade e cultura em diferentes escalas espaço-temporais.

Objetivos

Ao final do curso, as alunas e os alunos devem estar aptas(os) a:

- Discutir categorias linguísticas teóricas para a análise empiricamente informada da mobilidade contemporânea;
- Construir um mapa conceitual empiricamente informado com uma das categorias teóricas discutidas.

Programa

1. Paradigma empírico
 - 1.1. Do problema para a teoria
 - 1.2. Perspectiva etnográfica e compromisso com a empiria
2. Categorias teóricas na mobilidade contemporânea
 - 2.1. Indexicalidade
 - 2.2. Superdiversidade e turbulência
 - 2.3. Escalas

Metodologia

O curso deverá ser conduzido conforme os seguintes procedimentos: discussões dirigidas de textos previamente selecionados e debates do andamento do mapa conceitual.

Avaliação

As alunas e alunos serão avaliadas(os) a partir de 1. participação na construção do mapa conceitual durante o semestre (15%); 1. apresentações orais de artigos previamente indicados (15%); 2. produção de artigo final (70%).
